ABOUT THE FRIENDS

The nonprofit Friends of the Public Garden works in partnership with the City of Boston Parks and Recreation Department to preserve and enhance the Boston Common, Public Garden, and Commonwealth Avenue Mall.

Founded in 1970 by a small group of concerned citizens, the Friends is a membership organization open to all. We currently have more than 3,000 members.

We provide ongoing care and maintenance for approximately 1,700 trees and 42 pieces of sculpture including the Ducklings! We also offer public programs and invest in special projects in the parks.

Please visit www.friendsofthepublicgarden.org to learn more and join.
